

DN-C110P

Installation CD Player

DENON
PROFESSIONAL

Product Overview:

The Denon Professional DN-C110P replaces the popular DN-C100P model, with which it shares the large 3U rackmountable form, operational simplicity, assured reliability, and legendary Denon sound quality. The fascia maintains the same simple uncluttered control layout and large central display of the DN-C100, for ease of operation and use in ambient lighting conditions.

A new feature of the DN-C110 is its ability to playback MP3 and WMA music files from CD/CDR/CDRW media.

Other features include IR remote control, program play, random play, and disc and track repeat modes.

Applications:

- Corporate Installation/BGM
- Fitness
- Retail & Leisure

Key Features:

- CD/CDR playback
- IR Control
- Optical Digital Output
- Program Playback
- Random Playback
- Repeat Playback (track & disc)
- MP3/WMA file playback via CDROM
- 3U/HE Rackmount kit supplied

DN-C110P
